

I wanted to thank you for all that you have done this year.

You have not only inspired me to continue to take French, but get involved in the amazing French culture as well.

Because of your passion for teaching, you have made French 1 a wonderful experience that I was blessed to be a part of. Going to class never gets boring; it is something I look forward to!

So, thank you for all your hard work. It has made French class very enjoyable.

Sincerely,

Paige K.
